

三、專書、技術報告

- |   |   |
|---|---|
| 1 | <b>J. W. Lee</b> “Application of the Clifford algebra valued boundary integral equations with Cauchy-type kernels to some engineering problems”, <i>Ph.D. Dissertation</i> supervised by Prof. H.-K. Hong and Prof. J. T. Chen, Department of Harbor and River Engineering, National Taiwan Ocean University, Keelung, Taiwan, 2016.        |
| 2 | <b>J. W. Lee</b> “Null-field boundary integral equations approach for solving Helmholtz problems of free vibration and water wave containing circular and elliptical boundaries”, <i>Master Thesis</i> supervised by Prof. J. T. Chen, Department of Harbor and River Engineering, National Taiwan Ocean University, Keelung, Taiwan, 2010. |
